DETAILED ACTION

1. The information disclosure statement filed October 27, 2004 (list of related cases) fails to comply with 37 CFR 1.98(a)(1), which requires a list of all patents, publications, or other information submitted for consideration by the Office (i.e., Form 1449). It has been placed in the application file, but the information referred to therein has not been considered.

2. The amended drawings (Figs. 110-117) were received on December 22, 2004. These drawings are approved. It is noted that "background art" is considered as prior art.

3. Claims 1, 21-34 are allowed over the art of record.

4. The following is an examiner's statement of reasons for allowance:

After reviewing of the prior art references, the Examiner found that Applicants' arguments in the Remarks pages 8-9 filed on December 22, 2004 are persuasive for placing the claims in a condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Minh N. Tang whose telephone number is (571) 272-1971. The examiner can normally be reached on M-F (7:00-3:30).
